Professional Arbré Active K2 treatments and procedures are available for beauty therapists only.

Arbré Beauty Programs has a history of more than 30 years in the professional beauty therapy industry.

Over time, Arbré has developed a range of products specifically for the professional beauty therapy industry, with an emphasis on professional treatments.

Arbré was founded in 1983 with the belief that the healing properties of natural ingredients combined with sophisticated technology would result in skincare products of exceptional quality, value and effectiveness.

Today, this philosophy remains true as Arbré incorporates the very best natural qualities the earth and ocean have to offer along with the latest advances in beauty technology.

Arbré is committed to the development of the most comprehensive range of skincare solutions for both the professional and consumer markets. Through constant research and analysis, Arbré continually adjusts and adapts products to suit the markets ever-changing requirements.

Australian owned and operated, Arbré manufactures its products at a state-of-the-art manufacturing facility. Partnering with Arbré means you deal directly with the manufacturer.
